

# Utah Retired School Employees Association

1449 North 20 East American Fork, Ut. 84003

Membership in URSEA is an investment in your retirement future! Your membership makes a difference in many ways. Please join the thousands of other Utah school retirees who have already become members by completing the enclosed application and returning it to the address indicated. Those of you who are already members please pass this application on to a colleague who has not joined and encourage them to do so.

We have a group of benefits that as a member you will have access to. Many of our members are using these benefits to enhance their retirement and to make their retirement check go just a little further.

The URSEA will be only as strong as the dedication and unity of its members. If you have any questions regarding the URSEA or this letter, please contact the URSEA Office at 1-801-756-4997.

**Your Local and State Associations are working together for you. For more information on your area's local unit, please check our web page at [ursea.org](http://ursea.org) under local units.**
